FR

Chasse au Godard d'Abbittbbi raconte le dilemme de deux jeunes Abitibiens déchirés entre le désir de rester et l'envie de quitter la région. Un premier long prometteur pour Éric Morin.

ENG

In 1968, an internationally renowned French film director unexpectedly lands in Abitibi, in the northwest of Quebec, to conduct political and mass-media experiments. This event fuels the revolutionary tendencies of Michel, a local young man and the desire to travel the world of Marie, his girlfriend.
