Respire / Breathe

Initial release: 12 November 2014 ([France](#))

Director: Mélanie Laurent

Running time: 92 minutes

French with English Subs.

FR

Charlie, une jeune fille de 17 ans. L'âge des potes, des émois, des convictions, des passions. Sarah, c'est la nouvelle. Belle, culottée, un parcours, un tempérament. La star immédiate, en somme. Sarah choisit Charlie.

ENG

It is tale of two teenage girls who develop an intense and dangerous friendship. Charlie is a 17-year-old girl tortured by doubt, disillusionment and solitude. When the beautiful and self-confident Sarah arrives and the two become inseparable, Charlie is thrilled to feel alive, fulfilled and invincible in their intense friendship. But as Sarah tires of Charlie and begins to look elsewhere for a new friend, their friendship takes an ominous turn.
